

LKC'S DATABASE WAITLIST FOR SINGLES

Terms of submission

1. Purpose of the Waitlist

Joining the LKC waitlist is the first step toward potential inclusion in the Let's KISS Club. However, being on the waitlist or added to the singles database does not guarantee membership approval or participation in club activities.

2. Membership Approval Process

Acceptance into the club is contingent upon:

- Selection of a membership level.
- Successful completion of a background check.
- Confirmation that no disciplinary actions or complaints have been lodged against you during any prior participation with LKC.

3. Annual Reapplication Policy

Individuals not accepted into the club may reapply annually, provided no bans or permanent restrictions have been imposed. Any decisions regarding reapplication or reinstatement of previously banned individuals are at the sole discretion of the LKC team.

4. No Guarantees

Participation in the waitlist or database does not ensure:

- Approval for membership.
- Matching with a specific individual or finding a perfect match.
- Successful results in personal relationships.

LKC provides a platform for opportunities, but your dedication to the process, participation in activities, and commitment to the experiences offered play a critical role in your success.

5. Waitlist Duration

The length of time spent on the waitlist is determined by space availability and other factors. LKC cannot guarantee a specific timeframe for review or acceptance.

6. Contact Permissions

By joining the waitlist, you grant LKC permission to contact you via email, phone, and text message regarding:

- Updates on your waitlist status.
- Information about your placement and next steps in the membership process.
- Details about events, offers, and other opportunities provided by LKC.

7. Fees and Refunds

Any fees associated with the waitlist, background checks, or membership selection process are non-refundable, regardless of acceptance status or participation results.

8. Privacy and Confidentiality

All personal information, including details provided during the waitlist process, will be used solely for membership evaluation and communication purposes. LKC maintains strict confidentiality for all participant data.

9. Discretionary Acceptance

LKC reserves the right to approve or decline membership applications based on its internal policies, values, and the club's best interests. Banned individuals are permanently restricted unless otherwise determined by the LKC team at its discretion.

10. Changes to Terms

LKC reserves the right to update or amend these terms and conditions at any time. Participants will be notified of significant changes as needed.

By joining the LKC waitlist, you agree to these terms and conditions and understand that the process is designed to create a safe, supportive, and rewarding community.
